

**SAMSARA FLEET**

NDAA Compliance

Samsara confirms that the IoT Gateways, Camera Modules, Environmental Monitors, and Accessories listed below are NDAA-compliant.

NDAA-COMPLIANCE STATEMENT

Samsara Fleet products, its chipsets, and other technology components listed here do not come from the list of prohibited Chinese companies in the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (NDAA). Specific Samsara products that can be used in any capacity as part of NDAA Section 889 compliant systems are: Vehicle IoT Gateway (VG34), Advanced Powered Asset Tracker (AG26), Unpowered Asset Tracker (AG46), Powered Asset Tracker (AG46P), Dual-Facing AI Dash Cam (CM32), Front-Facing AI Dash Cam (CM31), Multi Camera System 2.0 (NVR, Monitor, CM52), Wireless Environmental Monitor (EM21), Wireless Monitor with Temperature Probe (EM22), Wireless Door Monitor (DM11), Wireless Cargo Monitor (CARGO), Panic Button, Privacy Monitor, Engine Immobilizer, Auxiliary Input Hub, NFC Card Reader (ID Card Reader), CM Dual Lens Cover, CM Driver-Facing Lens Cover, and CM Windshield Shim.

NATIONAL DEFENSE AUTHORIZATION ACT OVERVIEW

[Section 889](#) of the NDAA states that federal agencies are prohibited from entering, extending, or renewing a contract with any entity that uses certain equipment or services for certain purposes from named Chinese-based vendors “as a substantial or essential component of any system, or as critical technology part of any system.”
