

What is the 3G Sunset?

- AT&T [stopped supporting 3G network](#) on **Feb 22, 2022**
- Learn more by reading Samsara's 3G article [here](#)

What products are going into End of Support due to the 3G Sunset?

- Impacted SKUs
 - VG32 and VG33, plus VG32/33-dependent cables + accessories
 - AG15 + AG15-dependent cables + accessories
 - GW22 + GW22-dependent cables + accessories

End of Support Notice

- All active **VG32, VG33, GW22, and AG15** devices are eligible for upgrades to our successor gateways. If customers don't upgrade before 2.22.22, their devices will be non-functional (*won't connect to the cellular network, but wifi will work*)
