End of Support Notice

- All HD NVR systems will be deactivated by **July 31st, 2022** and will no longer function after that date. After this date, you will not be able to access any HD NVR data stored on the devices that is not already uploaded to the dashboard, so please retrieve any video from cameras using our [Video Retrieval feature](#) to save any relevant footage
- Samsara will continue to support our customers looking for side, rear, and interior cameras through our [Camera Connector](#) product
