# Asset Gateway - AG24
EUROPEAN DRY TRAILER INSTALL GUIDE
What's included:

1× Asset Gateway

1x Power Cable

1× Mounting Plate

4x Self-Tapping Screws
4x Flat-End Screws
Ring Terminals

Zip Ties

Cleaning Wipes

1

**Select desired mounting location and clean thoroughly with cleaning wipe.**

Mount with sun exposure for best solar charging.

2

Attach mounting plate with adhesive. Secure with 4 self-tapping screws (Bag 1) if desired.
3

Mount AG onto mounting plate with 4 flat-end screws (Bag 2).

4

Plug cable into AG.

5

Run cable to power source. Fasten to trailer with zip ties.

6

AUX 1

Connect cable to AUX power port if available. Otherwise remove the connector and hard wire to power (red is the power line, and black is the ground). AG light turns on for 30 seconds if correct.

AG will operate in real time when power is supplied. When power is not available, AG will run off of internal battery in power-save mode (periodic check-ins, not real time).
