Flexible payment options for Samsara fleet solutions

**Samsara Capital Finance is Samsara's financing arm, providing convenient and cost-effective financing for Samsara's fleet tracking solutions.**

With a financing plan through Samsara Capital Finance, Samsara customers can enjoy the cost savings of prepaid licensing with the convenience of monthly payments.

- Monthly, quarterly, and annual payment options
- Total solution financing, includes Samsara hardware and software
- Premium service with a dedicated finance specialist
- Serving Samsara customers of all sizes

**Your product warranty, service, and support will be provided entirely by Samsara, regardless of whether you finance the solution or make a capital (up-front) purchase.**

How financing works through Samsara Capital Finance:

1. Samsara Capital Finance performs credit level verification.
2. Upon credit approval, you will receive a financing quote for your review, followed by an executable agreement from Samsara Capital Finance. Upon signing, you will receive your Samsara products.
3. Payments will be made to Samsara's financing arm. Warranty, technical support, and expansion sales inquiries are provided by Samsara.

**For more information on financing with Samsara or to request a quote, please contact your Samsara sales representative, or email [sales@samsara.com](mailto:sales@samsara.com).**
