Agreement to Terms

By accepting this agreement, either by clicking a box indicating your acceptance or by executing an Order Form that references this agreement, you agree to be bound by these Terms. If you don’t agree to these Terms, do not use the Products. If you are accessing and using the Products on behalf of a company (such as your employer) or other legal entity which is our Customer, you represent and warrant that you have the authority to bind that company or other legal entity to these Terms. References to “you” and “your” in these Terms refer to that company or other legal entity, our Customer.

You may not use the Services if you are our direct competitor, as determined in our sole discretion, except with our prior written consent. In addition, you may not access the services for purposes of monitoring their availability, performance or functionality, or for any other benchmarking or competitive purposes.

Changes to Terms or Services

We may modify the Terms at any time, in our sole discretion. If we do so, we will inform you either by posting the modified Terms within the Services or through other communications with you, our Customer. It’s important that you review the Terms whenever we modify them because if you continue to use the Services after we have posted modified Terms on the Services, you are indicating to us that you agree to be bound by the modified Terms. If you don’t agree to be bound by the modified Terms, then you may not continue to use the Services. Because our Products are evolving over time we may change or discontinue all or any part of the Products, at any time and without notice, at our sole discretion. If we discontinue the Products or Services you have ordered from us you may request a refund for the prorated portion of your prepaid license.

License

Subject to the terms and conditions specified in your Order Form or free trial agreement, Samsara grants you non-sublicensable, non-exclusive, non-transferable licenses (i) to use the Firmware on the Hardware (the “**Firmware Licenses**”), and (ii) to use the Services (the “**Services Licenses**”), until the license term expires or the earlier termination of this Agreement.

The Support Services we provide to you are included in the cost of the Services License. Please see our website for our more information about our Support Services.

The Firmware License for each item of Hardware you purchase is contingent upon you purchasing and maintaining a valid Services License. The Firmware is licensed, not sold. You own the Hardware on which the Firmware is recorded, but Samsara retains ownership of the copy of the Firmware itself, including all intellectual property rights therein. The Firmware is protected by United States copyright law and international treaties. Conditioned upon your compliance with these Terms, Samsara grants you a non-exclusive and non-transferable license to use the Firmware in connection with the Services. Samsara reserves all rights in the Firmware not expressly granted to you in these Terms.

You acknowledge and agree that portions of the Firmware, including but not limited to the source code and the specific design and structure of individual modules or programs, constitute or contain trade secrets of Samsara and its licensors. Accordingly, you agree not to disassemble, decompile or reverse engineer the Firmware, in whole or in part, or permit or authorize a third party to do so.

Hardware Installation

Depending on your intended use of the Products, you may require professional installation of the Hardware. If you are unable to install the Hardware, or if you are uncertain that you have the requisite skills and understanding, you agree to consult with a qualified installer. Improper installation can lead to damage of the

equipment into which you are installing the hardware or dangerous or life-threatening conditions, which can cause property damage, bodily injury, or death. Samsara's liability is limited under these Terms as described below.

Software Updates

Samsara continuously improves our Products. As such, we may from time to time update the Hosted Software, cause Firmware updates to be automatically installed onto your Samsara Hardware, and update the Apps installed on your mobile devices and available for download via Google Play and the Apple App Store. These updates may include security or bug fixes, performance enhancements, or new functionality, and may be issued with or without prior notification to you. You hereby consent to such automatic updates.

Payment, Shipping, and Delivery

Customer is responsible for all payments of applicable taxes, however designated or incurred under this Agreement, and Customer shall reimburse Samsara for any taxes paid or payable on behalf of Customer.
